56 Years of Tradition and Corvette Enjoyment

June Edition, 2016

PRESIDENT'S MESSAGE: Corvette Museum

About a year ago I attended the Bash, it's the new model preview event at the Corvette Museum, in Bowling Green Kentucky. I had not been to the museum in about 20 years. Brother has it changed.

The museum was much larger with elaborately staged display areas that take you back in time. The display for early 60's Corvette's included several cars in a detailed, period correct, gas station. Several other displays are set up in the same fashion. It's a great way to experience the history of the car and American culture.

Several GM designers and engineers were on hand to answer questions and visit with the crowd. There was a noticeable pride in their comments to attendees and quiet remarks to each other.

I'm sure the engineer that designs door panels for a grocery getter takes pride in his work. The Corvette designers know they are on the cutting edge for the accomplishments of General Motors and custodians of a car that's part of the American spirit.

A visit to the Corvette Museum is definitely worth the effort.

Enjoy your Corvette today,

Steve Pistole

President, Oklahoma City Corvette Club.

Vice-President Report: OCCC Members would like to welcome Michael and Gwen Benham and Mark Grisham into our club. We hope to see you all at our upcoming club functions.

Special Congratulations goes out to Larry and Sharon Matthesen celebrating their Golden Anniversary this month. May you both enjoy many more!

Michele Cantelmo is our new National Director of Charity. Michele is from the East Region, we're excited to have her on board. As many of you all know, we now have chosen St. Jude Children's Research Hospital as our NCCC Charity. Michele is currently completing this year's Charity Raffle Tickets for \$50,000 toward a new Corvette of your choice. The raffle will have a limited number of only 2,000 tickets being sold. The tickets will go for \$50.00 each. There is a new segment to these raffles, should not all tickets be sold, there is now a place for a person to write in their personal information for a refund, if they don't wish for their money to be donated to St. Jude. A Midwest Region Club has done this for years with their local club raffle; they've never had to return any funds. All tickets were sold. I will let you know as soon as I know that the tickets are ready. Remember...limited amount of tickets – money going to St. Jude....don't miss out!

2016 National Corvette Convention, Omaha, Nebraska, July 17 – 22, hosted by the Cornhusker Corvette Club is rapidly approaching. If you haven't made a Convention in the past, this is definitely not one you want to miss. There is something for everyone. Tours, Competition, Rallies, Car Shows and Parties, for more details go to our NCCC Website: <http://www.corvettesnccc.org/>

Hope to see you soon at one of our upcoming events.
Jeannie

OCCC Festival

Another OCCC Festival tucked away. 7 autocrosses on Saturday and 3 Drag events on Sunday. The weather this year cooperated somewhat with no rain, however the humidity was a killer. A few timing issues threw a kink in the works on Saturday, however; we persevered, and did the best we could and that's all anyone can ask. Sunday was also a nice hot humid day. No records set at this event, however; we will all get another chance in October. Pictured below are our entrants and workers for the Drag event. Thanks so much to all OCCC members who participated either as a driver or as a worker. Overall, another great week-end.
